**Editor's Note:**  
The Tonkinese Breed Association gives out annual awards based on CFA's regional points. Usually the Tonkinese has to have a minimum of 200 points to be eligible. Because of COVID, there were not very many shows during the 2020-2021 show season. Therefore, at the TBA Annual virtual meeting in July of 2021, the TBA Board voted to reduce the minimum to 100 points for this show season only. (see Secretaries notes on page 3 & 4). Even with that, we have very few eligible Tonkinese.
