Editor's Note:

The Tonkinese Breed Association gives out annual awards based on CFA's regional points. Usually the Tonkinese has to have a minimum of 200 points to be eligible. Because of COVID, there were not very many shows during the 2021-2022 show season. Therefore, the TBA Board voted to reduce the minimum to 150 points for this show season only. Even with that, we have very few eligible Tonkinese.
